

CIT Camp

What: A day of camp for CITs – filled with fun, learning, and the best parts of camp!

- Have you ever wondered about the best technique for catching frogs or holding snakes?
- Do you wish you knew more about connecting with campers?
- Would you like to have some more time to hang out with other CITs?

This day will give you the opportunity to learn, grow, and enjoy every aspect of being a CIT at Nature Day Camp. You will have the opportunity to select from a wide-variety of topics as well as be involved in large-group sessions. The day will be entirely dedicated to supporting you in your role as a CIT at Nature Day Camp as well as developing skills you can use in many other areas.

When: Tuesday, June 30th from 9am-3:30pm

Where: We will be all over the CNC property, but will start and end the day at the Nature Study Building.

Who: Every CIT is invited to attend!

Cost: Free! This is an extra opportunity offered to all of CITs.

Registration: Free, online registration will be available in May.

Questions: Please contact Steve Frisbee, Camp Director, or Allie Robb, Assistant Camp Director, at 989-631-0830 camp@chippewanaturecenter.org for more information!
