**Before and After Care for Full-Day Camps**

If your camper craves more time outdoors or an extended day is better for your family's schedule, register for this before and after care program! Children who are registered for a full-day camp (except Habitat Hunters) are eligible to attend this special wrap-around program. Campers will be based at the Barn at the Homestead Farm. Depending on camper interest, they may dip at the pond, play games, explore fields or just relax in a hammock. Snacks will be provided each afternoon and a special breakfast will be provided Thursday morning. Please note: If your child is registered for Chippewa Rangers, Advanced Chippewa Rangers or Eco Adventures, you will need to register your child separately for both weeks of Before and After Care.
