# Tree Notebook

Draw your tree. Label its parts.

Name your tree.

Make a bark rubbing.

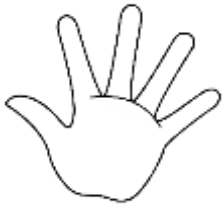

Draw the end of a twig.

What do you think it is?

Today is April \_\_\_\_.

Draw the tree now.

Is anything different on your tree?

Touch the tree.

Smell the tree.

Write a word to describe your tree.

---

Give the tree a hug. Did it need a **big** hug or a **small** hug?

---

Wrap a string around the tree.  
Now measure the string.  
How long is it?

---

Today is May \_\_\_\_.

Draw the tree now.

Is anything different on your tree?

Draw the end of a twig.

How has it changed?

Are there seeds on your tree?

Tape a seed here.

Are animals visiting your tree?

How do you know?

Today is \_\_\_\_\_.  
We visited Chippewa Nature Center.

Draw a tree.

Draw a twig from the tree.

What do you wonder about the  
tree?

## **First Visit**

Is the tree alive?

Why do you think that?

## **Last Visit**

Is the tree alive?

Why do you think that?
