

Nature Day Camp

Teen Volunteer Positions

Activity Crew Member

Summer 2024

Applications
due April 8

Inspire children to build a lifelong, meaningful relationship with the natural world as you help them to catch frogs at the pond, create a miniature homestead village in the woods or learn how to paddle on a river.

Volunteer Job Summary:

Join a team of creative, energetic professionals who work together to connect children with nature through educational, recreational, and cultural experiences. CNC is in search of Teen Activity Crew Members with a passion for making a difference in the lives of children by providing powerful, dynamic programs in the outdoors. Activity Crew will assist with creating engaging lunchtime activities with a celebration on Friday. Crew members also assist with creating dynamic flagpoles for campers and families. If needed, Crew members will step into camps that need extra support with day campers from preschool to 9th grade, including children with special needs. Crew members will also give support to the Before and After Care Program.

Position Objective:

To bring dynamic and engaging programming to camper's free choice and flagpole time, while also offering support to day campers and Before and After Care.

Primary Responsibilities:

- Supervise campers, ensuring their safety and well-being
- Plan and execute daily experiences for lunchtime free-choice
- Follow and enforce all camp policies, rules, and regulations
- Communicate regularly with the Crew Leader
- Help organize and direct parents and campers on the first day of camp
- Support Before and After Care programming and campers
- Other duties as assigned by the Camp Director or Assistant Director

Required Qualifications

- Age 13-17
- Experience and desire to work with children in a formal setting
- Experience and desire to work in an outdoor setting

Schedule

Two weeks of volunteering during the camp session. Camp sessions run June 5-August 9, with no camp July 1-5.

Two shifts are available:

1. Morning Shift: 7:45 am-1:30 pm
2. Afternoon Shift: 11:30 am-5:30 pm

Camp runs from June 5 through August 9, and NDC Teen Volunteers are asked to commit to at least two weeks of volunteer work.

What Training Do NDC Teen Volunteers Receive?

Orientation Meeting for New NDC Teen Volunteers

Sat, April 20 • 9-11 am

This meeting will cover expectations and general information so new Teen Volunteers will have the background they need to effectively participate in Teen Volunteer training. It is also an important opportunity to get to meet the leadership team at Nature Day Camp.

NDC Teen Volunteer Training

Sat, May 18 • 9 am-12:30 pm

This mandatory training prepares our Teen Volunteers for a great summer. We will get to know each other, learn important safety information, practice the games we'll play with campers, become familiar with the day camp setting and receive the Teen Volunteer Manual.

NDC Teen Volunteer Camp*

Tues, July 2 • 9 am-3:30 pm

*Optional

This day will give you the opportunity to learn, grow and enjoy every aspect of being a team member at Nature Day Camp. You will have the opportunity to select from a wide-variety of topics, as well as be involved in large-group sessions. The day will be entirely dedicated to supporting you in your role as a volunteer at Nature Day Camp as well as developing skills you can use in many other areas.

Who can be a Teen Volunteer?

Teen Volunteers must be between the ages of 13 and 17, be comfortable in the outdoors, enjoy working with children, and demonstrate responsibility, self-control, and a positive attitude. We have a limited number of spaces for volunteers, so it is important to fill out your application completely and in a timely manner. Preference will be given to individuals who have been a volunteer during previous summers, as well as those who have participated in the Leaders-in-Training program.

How do I apply?

Complete a Teen Volunteer application electronically at www.chippewanaturecenter.org/nature-day-camp. If you are new to being a Teen Volunteer, ask three references to complete the online reference forms.

What is Chippewa Nature Center?

CNC is a nonprofit, environmental education organization offering programs for children, teens, adults and families on a variety of natural and historical topics. Its mission is to connect all people to nature through educational, recreational and cultural experiences. The 1,500-acre property includes woodlands, fields, ponds and rivers. CNC's facilities consist of a Visitor Center with Ecosystem Gallery, classrooms and Nature Center store; an 1870s Homestead Farm complex; Nature Preschool; an arboretum and over 19 miles of nature trails. See www.chippewanaturecenter.org for more information.
